YOUR RIGHTS AND OUR RIGHTS

1. You have the right to feel safe using Instagram.
2. Officially you own any original pictures and videos you post, but we are allowed to use them, and we can let others use them as well, anywhere around the world. Other people might pay us to use them and we will not pay you for that.
3. You are responsible for anything you do using Instagram and anything you post, including things you might not expect such as usernames, data and other peoples' music.
4. It will be assumed that you own what you post, and what you post does not break the law. If it does, and you are fined, you will have to pay that fine.
5. Although you are responsible for the information you put on Instagram, we may keep, use and share your personal information with companies connected with Instagram. This information includes your name, email address, school, where you live, pictures, phone number, your likes and dislikes, where you go, who your friends are, how often you use Instagram, and any other personal information we find such as your birthday or who you are chatting with, including in private messages (DMs).

We are not responsible for what other companies might do with this information. We will not rent or sell your personal information to anyone else without your permission. When you delete your account, we keep this personal information about you, and your photos, for as long as is reasonable for our business purposes. You can read more about this in our "Privacy Policy". This is available at: <http://instagram.com/legal/privacy/>.

6. Instagram is also not responsible for:
 - Links on Instagram from companies or people we do not control, even if we send those links to you ourselves.
 - What happens if you connect your Instagram account to another app or website, for instance by sharing a picture, and the other app does something with it or takes your personal details.
 - The cost of any data you use while using Instagram.
 - If your photos are lost or stolen from Instagram.
7. Although Instagram is not responsible for what happens to you or your data while you use Instagram, we do have many powers:
 - We might send you adverts connected to your interests which we are monitoring. You cannot stop us doing this and it will not always be obvious that it is an advert.
 - We can change or end Instagram, or stop you accessing Instagram at any time, for any reason and without letting you know in advance. We can also delete posts and other content randomly, without telling you, for any reason. If we do this, we will not be responsible for paying out any money and you won't have any right to complain.
 - We can force you to give up your username for any reason.
 - We can, but do not have to, remove, edit, block and/or monitor anything posted or any accounts that we think breaks any of these rules. We are not responsible if somebody breaks the law or breaks these rules; but if you break them, you are responsible. You should use common sense and your best judgment when using Instagram.
8. Although you do not own your data, we do own ours. You may not copy and paste Instagram logos or other stuff we create, or remove it or try to change it.
9. You can close your Instagram account by logging into Instagram and completing this form: <https://instagram.com/accounts/remove/request/>. If you do, your photos, posts and profile will disappear from your account but if anyone has shared your photos or personal details, or if we have used them ourselves for any reason, they might still appear on Instagram. We will also keep all the data we already have from you and can use it as explained in paragraph 5 above.
10. We can change these rules whenever we like by posting an update on Instagram, whether you notice it or not.
